EDITOR'S LETTER

3, so we're told, is something of magic number. There's the holy trinity, for starters (for those who go in for that sort of thing...), but we've got our very own 'holey trinity' of three British hotties being awarded their *Mayfair* wings this issue, on top of five other home-grown honeys as well. Honestly, if this is what Brexit looks like, perhaps it won't be so bad at all, because we certainly appear to be approaching self-sufficiency on the horny young woman front!

FLAT... ON HER BACK!

Dear *Mayfair*,
My girlfriend Martha and I have been a couple for three years now and we finally decided to move in together last month. After scouring the papers and local ads, we started to do the rounds of the estate agents in our area. We weren't looking for anything flash or even particularly big; we just wanted a little one bed flat. However, as estate agents always do, we were constantly being encouraged to pay that little bit more than our budget. One day an agent called us to tell us about this "amazing flat that we just had to see". Intrigued, we went down to his office and he told us about a new development that was now available to be viewed. He said that he had to run to another viewing, but that he would give us the keys and he would meet us there in an hour.

As soon as we got there we could see that it was way beyond our means.

It was one of these flash complexes with its own gym and huge balconies. We decided to have a look anyway, and went into the flat.

It was incredible; kitted out with the best furniture and plush carpets. As we walked into the bedroom and saw the kingsized bed, I had a sudden realisation that we were all alone.

It was a hot day, and Martha was looking fantastic as usual, her pert arse beautifully encased in tight white dress, her cleavage on display, making my dick twitch every time I looked at it. As we strolled into the empty bedroom, I couldn't help myself and I grabbed her, kissing her and cupping her bum with my hands. This always does it for Martha and, despite initially tensing up, she soon relaxed and began kissing me back. We have a very fiery sex life and lust immediately took over – I pushed her back against a wall, pressing my hard on into her thigh, letting her know how turned on I was.

She responded by snaking her hand down to my bulge and stroking it through my jeans. That was like hitting the 'go' switch and I grabbed her, still snogging her face off, and orchestrated it so we both fell on the massive bed.

She initially tensed up again and I could tell that she was worried about getting caught, but I wasn't about to let this opportunity slip by! I grabbed her boob and kneaded it with one hand, while I slipped the other under dress, between her legs.

As soon as I made contact with her knicker-clad pussy, she groaned and I knew I was in! I pulled the material aside, out of the way and began playing with her clit. She responded enthusiastically, spreading her legs beneath me and pressing her groin into my hand, encouraging me to finger her. My cock got even harder as she ground her pussy against my digits as they pushed their way inside her soft, warm snatch, bucking her hips as I started sawing them in and out.

I love the way Martha's breathing becomes so laboured and loud when she's turned on and, the way she was nuzzled into my neck, her breath warm on my skin, turned me on so much that I just had to have her! She, apparently, felt the same way, because I'd barely pulled my fingers from her sticky twat before she was undoing my jeans, scrabbling to get at my rock hard prick.

Freeing it from its denim confines, Martha attacked my cock, sliding down so her face was in my groin. Although I was very conscious of our time-constraints, I let her take me in her mouth and begin to suck me off. She loves giving head and because she's so enthusiastic she's great at it. Usually, I'd be happy to come in her gob before getting hard again and fucking her. But today, I let her have a couple of minutes before I pushed her away and back onto the bed.

ROYAL FLASH

Dear *Mayfair*,
As a regular reader it's always nice to see you're still attracting plenty of new talent, but it's not often you come across one quite as eye-catching as Mia Middleton, who rightly graced the cover of your latest issue! OK, so she might not be related to Kate, but looking at her, I reckon our future king could have done a lot worse than to marry into Mia's family instead! With her piercing eyes and lovely body – not to mention her perfectly shaven smoo – she's just the kind of girl I'd like to see on the throne. Or, failing that, my cock!

I hope we'll be seeing plenty more of her in the future, along with all the other regulars and newbies you manage to get hold of!

A RIPE PAIR!

Dear *Mayfair*,
What a treat – four of the finest boobs in the country together in one photoshoot! What I wouldn't give to have been on set with Dani Maye and Penny Lee when they were getting stuck into each other's gorgeous ladyparts for those pictures – I can just imagine how much fun they must have had as they lapped away at each other's slits and grappled with those fantastic knockers! And all topped off with an immaculate centrespread, in which the girls are just about to kiss while delicately reaching for each other's pussies. Perfection!
Mark, via email.

She grinned, spreading her legs wide, ready and waiting for me. I knew what she wanted and I obliged, finding her hole and sliding my cock inside her balls-deep. She half moaned, half screamed, her cries echoing around the cavernous, empty flat, and I started to shaft her in a slow rhythm, listening to her every grunt as I filled her tight pussy. Her long nails scratched up my back urging me on and it had the desired effect as we sped up, fucking like animals.

I pounded into her so hard that my balls made a satisfying sound as they slapped against her arse with every thrust. This spurred me on to go even faster, even harder, banging into her with every bit of power I could muster. Unsurprisingly, this animalistic fucking did it for Martha and she climaxed, her fanny walls quivering and moaning so loudly that I was glad the building was empty!

I could easily have come myself then, but I was thinking logically and knew that the clean up job could be slightly awkward, so I told Martha that I wanted her to swallow my spunk. She grinned as she caught her breath and quickly moved down the bed until she was in the perfect position to give me head. She took me in her warm mouth, her full lips wrapping around my shaft as it disappeared down her throat. I gasped, the pleasure hitting me in a huge wave, and I was glad I was lying down. Martha is fucking amazing at blow-jobs and she genuinely loves giving them, luckily for me!

As she began working my hard cock with her talented mouth, sucking me in to the base and then all the way back up to the tip before flicking her tongue across my helmet, I knew it wouldn't take me long. In fact, the thought had only just crossed my mind, when I felt myself beginning to come. I managed to let Martha know mere microseconds before I blew my load, jizz coating her mouth and spraying down the back of her throat. The smile on her face told me that she loved every second of it!

We knew we were pushing our luck time-wise, so as soon as Martha had milked the last few drops out of my dick and cleaned my up with her tongue, we quickly got dressed and made the bed look as presentable as we could – although pristine it was not!

We had literally just finished plumping the show-flat's pillows up once more when we heard keys in the door, and the estate agent strolled in. Talk about a close thing! We let him give us a tour, spouting facts and figures at us, but neither of us were taking any of it in. We both "ummed" and "ahhed" at the right moments, but all I could think about was fucking the arse off my girlfriend merely minutes before!

FOR BETTER OR NURSE…

Dear *Mayfair*,
It began, as many nights do, with just a few glasses of wine. Getting a little frisky on the sofa my wife Dawn started asking me questions.

"Do you have any fantasies, darling? Like would you like me to dress up as something? How about a nurse?"

I grinned at that, "You could dress anyway you liked and I'd fucking love it… but yeah, I could see you in a nurse outfit."

At that she gave me a big kiss, told me to put out the lights and light some candles and pour another couple of glasses of wine and wait. I did as she said, settled back on the couch and waited for her footsteps.

"Close your eyes, honey," she ordered.

I heard her moving around the room, then as I heard the distinctive sounds of fucking from the television I sneaked a peek. She had put on a mucky film – a threesome, two girls and a guy, were just getting started. I couldn't see Dawn though.

"Naughty – now you're going to have to just watch for a bit. I thought this video would turn you on."

Hearing her voice from my left, I turned to see my wife dressed up as a nurse, suspenders and all. She looked amazing!

She strolled over to me, and standing in front of me began to gyrate. Her lovely tits were barely contained within her tight top, and as she stroked herself, her nipples pressed visibly against the thin fabric. She turned around to watch the action on the

Ok, we know we should have tried to hold this set of Holly back until 52.13, so we could make a lame Christmas pun on the cover (Lord knows we've been responsible for a few of those in our time!) but sometimes we think there's a bit more urgency to get something into the public domain – and if these piccies don't demand to be sooner rather or later we don't know what does!

"You could always get me back again for Christmas!" suggests Holly with a cheeky wink. "I reckon a few of your readers wouldn't mind it too much…"

Maybe not, but I'm not sure if my blood pressure could!

television – the guy on screen had one girl on his cock and the other on his face.

"You'd like that, honey, wouldn't you?"

I couldn't answer, for at that moment she bent forward until she could hold her ankles, her short dress riding up over her arse, showing me she had no knickers on, a little dribble of lubrication already coming from between her lips.

I reached forwards, but she noticed, "Uh uh – you peeked. No hands!"

So I dropped my hands, and as she turned round to me I leant back and unzipped my jeans. Dawn reached into my boxer shorts and pulled out my throbbing cock. She dipped her head to suck on the swollen head of my member, and then gripped it in one tight fist and looked up at me.

"Now, this time you get to taste me, but no hands, OK?"

She turned around once more and bent right over again, so I leant forwards until my face was buried between her cheeks, my stubble tickling her clit, my tongue between her lips and my nose pressed against her crinkled little ring.

I couldn't see the television but I could hear the action – and it was having a wonderful effect on her. She was wetter

than ever, and we had barely started. I kept licking deep into her, tasting her, and as she got more excited, she pressed her arse back against my nose, relaxing her ring so I could almost fuck her arse with my nose while my tongue fucked her cunt.

"Mmmmmm. That's good. But I want more. Get your clothes off."

She walked away, pulling her cheeks apart so I could see her swollen lips glistening with her juices, and her sphincter clenching. But she didn't go far – just got onto her hands and knees in front of the porno, which now had the guy fucking the redhead, and the dark haired girl was fucking her up the arse with a long strap on.

"You could do that, you know. I could really go for that. Oh yes," as I got undressed I could hear her repeating the same phrase over and over, "You could definitely do that to me."

Once I had my clothes off I noticed she'd brought a vibrator as well – a big red one. I grabbed it and plunged it deep into her.

"Ohhhhhh. Fuck me!"

I exchanged it for my cock, pistoning in and out of her hot twat, and then, following the example of the film in front of us, thought I should fit both in. With some difficulty, I slipped the vibrator alongside my cock in her pussy. God, it felt good – her muscles kept clenching, being stretched so much.

She kept banging her arse back at me harder and harder, one hand creeping across her buttock to dip a fingertip into her arsehole. I couldn't resist the temptation of that tight little hole and pulled out of her. There was a slight noise of disappointment, until I moved my slick cock up to meet her fingers. She slipped her finger out of her arse and used both hands to pull her cheeks apart for me. I could see her relaxing, making herself ready for my cock.

She pressed back on me – I kept still and let her go at her own speed. Then with an almost audible pop my cock head was past her sphincter, and she froze with a little groan.

"Did I hurt you?" I asked.

"Noooo... just stay still. I'm nearly coming!"

She slowly slid backward and forward, taking more of me in each time. I slipped my fingers into her twat again and rubbed her lovely juices around my cock as she pulled away, and with that lubrication she slid back easily until I was balls deep within her.

With the toy in her cunny and me up her arse I thought she was full, but she was so hot she wanted more, grabbing an empty wine bottle.

"Fuck me with this too!" she said, and as I eased it into her sopping hole, she started to move the vibrator alongside it. This felt amazing, and by the way her groans and screams were getting louder, she thought the same, and when I also started pumping my cock in and out of her arse with the same rhythm, she started screaming my name. We had both forgotten the video, concentrated on our own world of pleasure.

She came, clenching and bucking on my cock, but I managed to hold off until she was almost wrung out, then as she pulled the vibrator out of her, the feeling of it stroking past my cock just set me off.

I banged hard into her – uncontrollably hard. I even forgot about the wine bottle until it was gone – all I felt was her heat, until I came, flooding her arse with my spunk, shaking and collapsing on her back.

The next thing we noticed, there was just static on the television, and a very inviting king size bed upstairs…

INNOCENCE … AND SENSIBILITY

Dear *Mayfair*,

I'm not sure how other readers feel about it, but I've always had a thing for girls who look sweet and innocent but who, in reality, are as horny as hell! A fine example of this type of girl is Choe Toy, whose photosets always start with her looking like butter wouldn't melt in her mouth, and finish with her giving the appearance that she'd love nothing more than a dollop of warm jizz in that very same mouth! The picture of her on page 77 of 52.09 with her knickers rolled down and a cheeky smile for the reader is the ultimate turn-on as far as I'm concerned! And in the light of this, it was great to see a newbie exhibiting the very same combination of innocence and raunchiness in the same issue. I very much hope that Viola's refreshingly youthful looks and magnificent, fulsome body will grace a good few future issues of *Mayfair* (perhaps in a girl-on-girl set with Chloe!).

CARLY

Age: 24 **Vital Stats:** 34DD-25-36 5'6"
Photographer: DDF

Fancy a big-boobed, bushey-pubed British newbie? Yes, we thought you might, so allow us to introduce Carly Rae, who's sharing her charms with *Mayfair* readers for the very first time! So Carly, it's great to have you on board – but what got you interested in modelling in the first place?

"I've always been into fashion and clothing, and so I've spent plenty of time taking pictures and wondering about what to wear, and as I got older I started getting a bit more into the sexier side of things as well – I'm very comfortable in front of a camera, as you cab probably tell!"

Yep, we had got that impression!

MASTER OF THE ROLLS!

Look, we're assuming you've just won the lottery and fancy a new set of wheels, alright?

From the moment Sir Henry Royce introduced the Rolls-Royce Phantom in 1925 it was judged 'The Best Car in the World' by the cognoscenti. And every new Phantom that has subsequently appeared has successfully retained this title as a result of Rolls-Royce's tireless pursuit of perfection, visionary engineering, aesthetic acuity and deep understanding of what the world's leading luxury item should be. A new benchmark will be set as the New Phantom – the eighth generation of this great nameplate – when it arrives later this year. Not satisfied with simply launching a motor car that is a wholly contemporary design interpretation of Phantom DNA and a technological tour de force, Rolls-Royce has revolutionised the luxury car industry itself by shifting away from the status quo of shared platforms to an entirely new luxury business model.

Quite contrary to how other so-called luxury manufacturers are trying to realise economies of scale by sharing platforms with mass market manufacturers, Rolls-Royce concluded that the future of true luxury lies in true small-volume manufacture of a dedicated Architecture of Luxury. This comes in the shape of an all-aluminium spaceframe designed by Rolls-Royce engineers that will underpin every future Rolls-Royce beginning with the New Phantom. This new architecture is at the heart of how the next generation of Rolls-Royces delivers the Rolls-Royce experience in terms of ride comfort, acoustic comfort, seat comfort, exterior presence and interior space. Accompanying the increased stiffness of the spaceframe is a best-in-class high comfort chassis with air suspension and state-of-the-art chassis control systems, delivering peerless 'effortless' ride and handling and optimal vibration comfort performance. The suspension makes millions of calculations every second as it continuously varies the electronically controlled shock absorber adjustment system – reacting to body and wheel acceleration, steering inputs and camera information. Incalculable effort was expended to create 'the most silent motor car in the world' including 6mm two-layer glazing all around the car, more than 130kg of sound insulation and use of high absorption materials.

With the focus on noise reduction, a completely silent engine was also required, and that meant more low-end output at lower revs to ensure that silence. Hence a completely new, 6.75-litre V12 powertrain has been engineered for New Phantom, in place of the previous naturally aspirated V12 engine. The new V12 Phantom engine employs two turbo chargers that contribute to a low-end torque output of 900Nm at an incredibly low 1,700rpm whilst also delivering 563bhp of power, resulting in calm low speed progress associated with state occasions and an unfussed surge of power when one needs to press on. The addition of Satellite Aided Transmission (SAT), married to a ZF 8-Speed gearbox also ensures that the driver is prepared for whatever the road has in store for them.

The New Phantom is a wholly new and contemporary interpretation of the Phantom DNA, delivering new levels of iconic presence and an increased elegance of line suggesting both poise and stability at speed and an unrushed Grand Arrival. On first glance the New Phantom is remarkable in its purity. The precision body joining process ensures there are few, if any, visible join lines between body panels, giving New Phantom the appearance of being hewn from a solid block of aluminium.

Its opening gesture immediately demonstrates a radical contemporisation of Phantom, through the reimagining of the Pantheon grille at the heart of the design. The strong portrait grille is raised higher than that of Phantom VII today, and for the first time its integrated into the surrounding bodywork. The resulting effect is a cleaner, reduced design with modernity and clarity, allowing all New Phantom's lines to connect with this iconic statement of power and flow from it. In addition, a new headlamp graphic gives a confident and focused expression with fresh, frosted internals that feel open and optimistic, whilst accommodating an expressive ring of daytime driving lights and the most advanced laserlight system allowing driver to see over 600 metres at night.

The rear lines of the car in side view circle forward to the waft line and lead the eye back through the front wheel. The largest single-piece of hand-polished stainless steel on any motor car is the side frame finisher of New Phantom. It beautifully accentuates the stance of the car and, with a rounded softer feel, preserves the iconic wide C-pillar for privacy, while allowing the eye to transition easily to the rear.

A lot happens at the back of New Phantom as the design evokes the beautiful flowing rears of the 1950's and 1960's Phantoms. The rear glass, again defined by an impeccably crafted stainless steel frame, is more raked and the rear lines sleeker than the previous Phantom, whilst a subtle scallop on the rear roof line that hovers above the rear occupant's assures one of preserved head room.

The eye is also drawn inboard by a neat tapered tail, which is constructed of super formed aluminium to ensure more join-free surfaces and flowing bumper lines around the rear light graphic. Subtle creases in the bootlid that hark back to the more pronounced boots of earlier Phantoms flow on to a pronounced boot lid finisher. Again in stainless steel this feature echoes the front grille whilst allowing the airflow to gracefully depart from the rear of the car. Even the jewel-like rear light cluster is furnished in exquisite detail with the famous Double-R badges etched in.

"THE NEW PHANTOM IS A WHOLLY NEW AND CONTEMPORARY INTERPRETATION OF THE PHANTOM DNA."

Stepping aboard the New Phantom is an occasion in itself. The only choice is whether one drives or is driven. As one would expect from a Rolls-Royce, the environment is crafted from the most precious and contemporary of materials. High gloss, exquisitely tactile wood panelling that can be commissioned for the door interiors, centre consoles, dashboard and picnic tables, encircles the passenger in only the most beautiful and authentic materials. The seats are newly sculpted and hand-crafted to deliver even more comfort. Cleverly secreted behind the wood panelling on the rear of the front seats are the rear picnic tables and rear theatre monitors, which are electrically deployed and retracted at the effortless touch of a button. Phantom patrons will be able to commission different seating choices best suited to their requirements. Choices include the more intimate lounge seat, individual seats with occasional armrest, individual seats with fixed centre console and the newly introduced sleeping seat. The new fixed rear centre console receives significant enhancement, by incorporating a drinks cabinet with whisky glasses and decanter, champagne flutes and coolbox.

At the heart of the New Phantom's wholly modern design aesthetic is 'The Gallery', a contemporary and luxury reinterpretation of a dashboard and instrument panel area.

All of the elements within 'The Gallery' are enclosed in an uninterrupted swathe of toughened glass that runs the full width of the dash area. Within it, the instrument digital dials are framed with chrome, adding a degree of jewellery and continuity throughout the front of the interior. 12.3 inch TFT colour displays with LED backlighting communicate all driver information from within the round chrome surrounds.

If all of that doesn't sound enough customers will be able to choose a favoured artist or designer to work with Rolls-Royce to create a truly individual work of art that spans the width of 'The Gallery' in their New Phantom. Rolls-Royce has already worked with a number of artists, designers and design collectives to demonstrate what kind of creations are possible to put behind the glass of 'The Gallery' for the owners' pleasure. Works as various as an oil painting inspired by the South Downs in autumn, a gold-plated 3D-printed map of an owner's DNA, a hand-made stem of the finest porcelain roses and an abstract design in silk by young British artist Helen Amy Murray are some of the creations inspired by this most unusual of Gallery spaces.

Can you spot any difference between these pictures of the scrummy Vanessa Scott and the pictures of her that we featured back at the start of the summer? We'll give you a clue – it revolves around a razor – or rather the lack of one! So what's the story?

"Oh, with all the pubes? Well, I started going out with a guy a few months ago who's got a real pube fetish, so I grew these just for him!"

That's very decent of you – but surely you get something back in return, don't you?

"Let's put it this way – he'll happily eat out a furry pussy for 10 times longer than a shaven one!"

Bonjour

Bonjou

Since we first featured her in *Mayfair* a year or two back we've been obsessed with various parts of Adele's delicious bod – obviously her boobs, her neat pussy and her shapely rear (we're only human, after all!) but just recently we've started to think it might just be her eyes that are her finest feature! Dark chocolatey brown, there always seems to be a bit of a cheeky smile playing about them, like she knows exactly what we're thinking...

"Well, I have got a pretty good idea what you're thinking! Here I am taking my clothes off for you, so if you're not thinking about the obvious then somethig's up!"

We are thinking bout the obvious – and something is up as well!

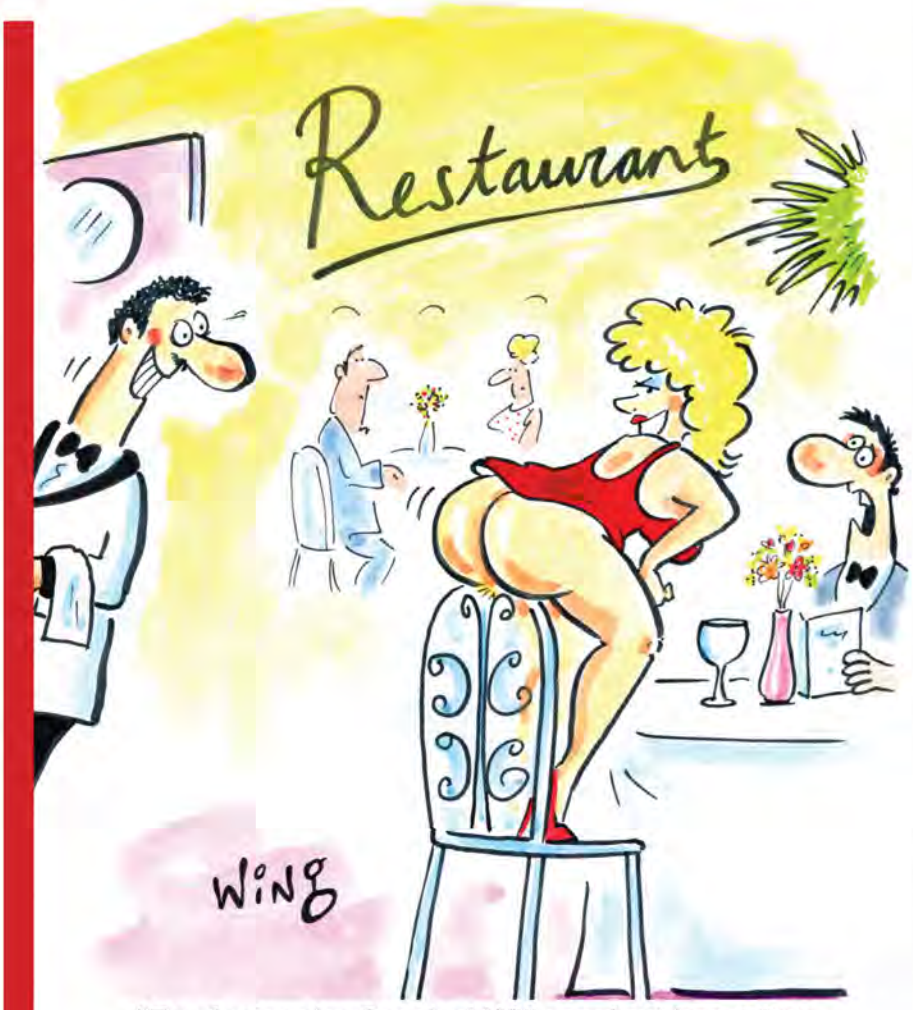
A young ventriloquist is doing a show with his dummy on his knee. He starts going through his usual dumb blonde jokes when a blonde in the fourth row stands on her chair and starts shouting: "I've heard enough of your stupid blonde jokes. What makes you think you can stereotype women that way? What does the colour of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person. Because you and your kind continue to perpetuate discrimination against not only blondes, but women in general, and all in the name of humour!"

Chastened, the embarrassed ventriloquist begins to apologise, but the blonde yells, "You stay out of this. I'm talking to that little smart arse on your knee."



"For fuck sake Sandra! Will you just leave it to me to get the waiter's attention?!"

Two old ladies were waiting for a bus and one of them was smoking a cigarette. It started to rain, so one of the old ladies reached into her handbag, took out a condom, cut off the tip and slipped it over her cigarette and continued to smoke.

Her friend saw this and said, "Hey, that's a good idea! But, what is that thing you put over your cigarette?"

The other old lady said, "It's a condom."

"A condom? Where do you get those?"

The lady with the cigarette told her friend that you could buy condoms at the chemist. When the two old ladies arrived in town, the old lady with all the questions went into the chemist and asked the pharmacist if he sold condoms. The pharmacist said yes, but looked a little surprised that this old woman was interested in condoms, so he asked her, "What size do you want?"

The old lady thought for a moment or two and said, "Well I guess I'll need one that will fit a Camel."

She removes all her clothing and asks, "Is there someone on this plane who is man enough to make me feel like a woman?"

A man stands up, removes his shirt and says, "Here, you might as well iron this as well!"

A woman posts a lonely-hearts ad in the newspaper that reads: "Looking for man with these qualifications; won't beat me up; or run away from me and is great in bed."

She got lots of phone calls replying to her ad but met someone perfect at her door one day. The man she met said, "Hi, I'm Bob. I have no arms so I won't beat you up and no legs so I won't run away."

So the lady says, "What makes you think you are great in bed?"

Bob replies, "I rang the door bell didn't I?"

This guy wakes up in the middle of the night and, feeling really horny, nudges his wife awake and asks, "Do you fancy having a shag?"

She replies, "I have an appointment at the gynaecologist tomorrow and you know I don't like to have sex the night before."

So the husband agrees and rolled back over and started to go back to sleep. A few minutes later, he nudges his wife again and asks, "You don't by any chance have a dentist's appointment tomorrow, do you?"

A man was fishing and he caught a crocodile. The crocodile told him, "Please let me go. I'll grant you any wish you desire."

The man said, "OK, I wish my dick could reach the ground."

So the crocodile bit his legs off.

POLICE HUNT WASHING LINE PERVERT!
IN THAT CASE, THANKS FOR MAKING THE TIME TO SEE ME, CHIEF CONSTABLE.
I ONLY CAME OVER THE WALL FROM THE NATURIST RESORT WHERE I WORK TO RETRIEVE A GUEST'S FOOTBALL...
...NOW I'M TRAPPED, NAKED IN THE ABBOT'S OFFICE!
THE OTHER MONKS AND I ARE TERRIBLY CONCERNED ABOUT THIS AWFUL NUDIST CAMP...
YOU HAVE TO UNDERSTAND HOW INNOCENT WE ARE HERE.
THEY WILL EXPOSE US TO THEIR SINFULNESS AND LEWDNESS AND PROFANITY!
ISN'T THERE ANYTHING THE POLICE CAN DO TO CLOSE IT DOWN?
I'M SORRY, ABBOT... BUT IT'S PRIVATE PROPERTY.
UNLESS WE CAUGHT NAKED HOLIDAY MAKERS INVADING YOUR GROUNDS THERE ISN'T REALLY ANYTHING WE COULD DO.

From the magazine that last issue brought you the boob-tastic pairing of Dani Maye and Penny Lee, let us present this month's mammary marvels Cara Brett and Brooke Lea, who seem just as keen to tuck into each others tits and twats as last month's duo! Honestly, it's like we're turning into some sort of dating agency for big-breasted babes who fancy a spot of how's-your-father with an equally well appointed comrade! Still, as long as we get to watch, I guess it could be worse!

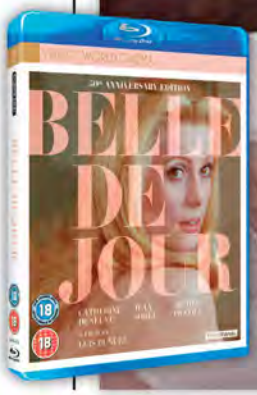
Scene from MAYFAIR

There seem to be lots of classics getting dusted off for release these days, but there's at least one new movie knocking about out there, thanks to an old friend of this mag...

BELLE DE JOUR



Ha – last issue we were reviewing a couple of films marking the 50th anniversary of the death of the groundbreaking Joe Orton, and this issue we've got another 50th anniversary up our sleeves, and it's an equally mischievous and frisky one. We all know that French cinema was traditionally saucier than its staid British counterpart, but even so, Luis Buñuel's 1967 release *Belle de Jour* must have taken quite a few people by surprise! The lovely Catherine Deneuve shines as Séverine, a repressed housewife who finds it hard to control the masochistic fantasies that are in no danger of getting fulfilled in the marital bed, and who finds herself drawn into the world of prostitution, soon taking a daily shift in the local knocking shop in order to scratch her irresistible itch. Still, things soon get (more) complicated when she get's mixed up with a client who turns possessive… This cracking 4K restoration makes it look fresher than ever, too.

THE VIKINGS

Here's a Sunday afternoon staple from yesteryear that's finally been given the (long overdue) Blu-ray release it deserves. Two years before the pair teamed up in *Spartacus*, twin icons of the silver screen Kirk Douglas (still alive, btw!) and Tony Curtis got together to make this swashbuckler, along with Ernest Borgnine and Janet Leigh (who clearly had a bit more to offer than her early bath – sorry, shower – in *Psycho* demonstrated). Ace Director Richard Fleischer helmed the project, and the result was to set a template for many an imitator, with Douglas magnetic as bristling one-eyed Norsman Einer, who locks horns with the rather more effete Eric (Curtis) over Christian princess Morgana (Leigh). With loads of cracking set pieces and plenty of drinking, fighting and carousing to keep the pace up, this is a nailed-on classic – as is the haunting horn refrain that recurs throughout, by Odin!

EAT LOCALS

Former *Mayfair* Editor Danny King's gone on to forge quite a name for himself in the mainstream world, and here he is once again proving that there's life after the top shelf with cracking vampire flick he's written! With a top notch cast that includes *Stardust* star Charlie Cox alongside *One Foot In The Grave*'s Annette Crosbie and the ever-watchable Mackenzie Crooke, this is a dark comedy that kicks off with a coven of cantankerous vampires gathering in a remote farmhouse for their once-every-50-years powwow. Only trouble is, there's a bunch of crack vampire hunters on their track, and the stand-off that ensues has everyone fearing for their life/undeath. With touches of *Dog Soldiers*, this directorial debut from Jason Flemyng presses plenty of the right buttons.

TORI-LEE

Age: 28 **Vital Stats:** 32DD-30-34 5'7"
Photographer: BBM

Time for another debutante, don't you think? Gorgeous Tori Lee hails all the way from Gateshead – somewhere not one person in the *Mayfair* office seems to have visited, although a couple have got as far as Newcastle *(it's a stone's throw across the river from Newcastle, you numpty! – Ed.)*. Still, we might have to revise our travel plans if Tori here's anything to go by, with her flawless figure and exquisite stocking-clad legs...

"Well. I wouldn't say they're all quite like me!" she informs us with what sounds suspiciously like a Geordie accent *(See above! - Ed)*, "but there are definitely a few of us about!"

Way aye, man!

MAYFAIR Movies

Your top-end scruff reviewer's work is never done, you know! There's always another batch of quality scuzz flicks to sit through before bed! Still, it beats The Great British Bake-Off...

Wicked Pictures

UNBRIDLED

★★★★☆

Editor's PICK

CAST: Stormy Daniels, Rachel Starr, Alana Cruise, Lyra Law.

Ever found yourself feeling frustrated by the invariable lack of showjumping storylines on bongo flicks? What's that you say? Yes?! In that case you're in luck, because Wicked Pictures have teamed up with scruff star and (these days) Director Stormy Daniels to lens a flick that finally rights that longstanding wrong! The rural idyll of watching Lyra Law trotting about on her horse is shattered by the presence of a nasty couple of heavies who are planning to buy the ranch, but before we can get too worried about that we cut to Stormy's city pad, where she promptly hooks up with Ryan Driller to celebrate the end of some unspecified project. She's no spring chicken, but still looks the part and he slobbers over her boobs and drills her on the sofa!

Back on the ranch Lyra's quite riding a horse in favour if riding curly-haired Michael Vegas, and for all my equestrian inclinations, it's still an improvement! It's a very cute alfresco fucking, and by the time they were done I was hoping things would all work out OK for their ranch. No spoilers from me, but after plenty more horseplay of one kind or another it's a very happy finish for all concerned!

Harmony

MY DIRTY LIFE

CAST: Kira Queen, Loren Minardi, Lola, Vyvan Hill, Clea Gaultier.

Bugger – Harmony have only gone and pinched the title I had lined up for my autobiography. Admittedly a) I'd almost certainly never have got round to writing it and b) even if I had, there can't be much of a market for books about a career spent watching mucky movies, but still!

Anyway, in keeping with their more recent releases, this one is pretty classy, with the far-too-horny-to-be-a-real-royal Kira Queen playing some sort of mittel European countess whose sexual fantasies have a habit of coming to life on screen before our very eyes. Fantasy number one involves Kira crawling towards stud Clarke Kent and chomping on his pole before riding him cowgirl – it's a nice enough pairing and sets the scene for what's to follow. Of the four remaining scenes, there's a very eye-pleasing girl/girl with Loren and a couple of cracking b/g/g scenes one of which sees occasional *Mayfair* lovely Lola being put through her paces. Very nicely produced stuff! **Available from your local sex shop.**

Digital Playground

FLY GIRLS: FINAL PAYLOAD

CAST: Jasmine Jae, Aletta Ocean, Jai James, Nicolette Shea.

Once upon a time having an aeroplane fuselage to film in would have resulted in a film that has a plot no more complex than 'passengers shag hostesses' or possibly 'pilot shags passengers and hostesses' – but we've come a long way since then, if this offering from Digital Playground is anything to go by! There's all sorts of shenanigans going on here, with big-boobed Brit Jasmine playing some sort of fraudsters who, having lathered up her boobs in the shower, does a runner when it turns out her mark is on to her. Still, when she hops onto a plane and finds Nacho Vidal sitting there, we're pretty sure what's coming next. Nacho wants his money, but not before he's crammed his thick cock both sets of her lips for the sort of frenzied fucking that's bound to oil the wheels of any awkward monetary transaction. Some sort of hijacking scheme is concocted, but more to the point the next scene features more massive milkers, as Aletta and Nicolette get in on he action. I'm not a big fan of two scenes being spliced together, but it's pretty easy to work out what's what! Things progress nicely enough until a corking climax sees Danny D in nork nirvana with Jasmine and Nicolette in full flow!

KATY

Age: 28 **Vital Stats:** 32G-25-6-36-2 5'4"
Photographer: Dazglam

Phew – we've just about left space to introduce one more British newbie this issue, so without further ado, here's Katy Jayne, a busty beauty from the midlands who's crazy about cats, cars and... cocks!

"Ha - that's true, although not necessarily in that order!" she grins. "Yes, cats probably do come first, but after that I'd say I prefer a nice sturdy cock to a flashy car, although if a bloke's got both, then so much the better for him – and me!"

Hmm, so a flashy car and a sturdy cock, eh? Perhaps I ought to buy a cat...

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I work on the reception of a large insurance company and since a lot of guys come in and out of the building every day I get to chat and even flirt with a lot of them.

One that really took my fancy was a guy called Graham. I'm only 22 and he's a good 15 years older than me but despite the age gap, there was something about him that I really liked. I didn't think much would come of our constant flirting as he was married but everything seemed to fall into place when his marriage hit the rocks.

He took a few days off work when his wife left him, and there happened to be some important papers that needed signing. The boss was going to get a courier to drop them off with Graham, but I stepped in and suggested I take them round to his house since he only lived round the corner from me.

I made sure I looked my best when I called by his house. I think I've got a good body with a 34c-24-34 figure so I complimented it with black high heels, my best suit with my sexiest black underwear underneath.

Graham was expecting me and let me in. We made small talk about work and I didn't think it was going anywhere because he seemed a bit glum, so I bit the bullet.

"I could cheer you up if you like," I told him.

I moved forward and put one hand on his trousers, grabbing at his cock. He looked a little shocked but before he could say anything I was kissing him, pushing my tongue down his throat.

Wanting to please him, I was going to do anything he wanted. I dropped to my knees in front of him, unbuckled his belt and pulled his trousers to the floor. His cock was already rock hard as I pulled it from his boxers. I set about sucking it; I licked the sides of his shaft and sucked on his balls. I sunk my face down to take as much as I could in my mouth. He tasted wonderful against the roof of my mouth, as I swirled my tongue round his shaft licking the drops of pre-come from his tip.

> "I COULD FEEL MY SLIT STARTING TO OOZE SWEET JUICES AND I WANTED HIM TO FUCK ME."

Graham was by now fondling my tits getting my nips nice and hard. I could feel my slit starting to ooze sweet juices and I wanted him to fuck me. His cock twitched once and a small streak of cum shot into my mouth. I gripped his cock hard to stop him from coming as much as I would have been happy to swallow the lot.

Standing up, I kissed him before demanding, "Fuck me, please!" I slipped out of my skirt and panties, releasing my tits from my bra so

that I was now stood there in only my high heels. It was too much for Graham as he was out of his clothes in a second. I got down on to all fours, right there in the hallway. Looking over my shoulder at Graham I asked him what he was waiting for.

Graham was soon behind me, stroking his cock along the entrance to my sopping wet hole. I looked back and told him to stop teasing me and fuck me, and with that he sank his cock deep into me making me sigh with delight. Then he pulled out and slowly started building up a nice rhythm pumping my pussy. It felt every bit as good as I imagined it would. I felt so dirty but I didn't care because I wanted him to want me. I felt him push a finger into my brown hole and bit my lips as he probed my rear.

"Give it to me, fuck my bum," I pleaded.

Graham pulled his cock out of my pussy and placed it at my sphincter. His cock was rock hard and it felt enormous as he squeezed it into my arse. I took several deep breaths as he buried his cock deep inside my arse. I reached under myself and started to finger and play with my pussy, my whole body was buzzing.

"I'm going to come!" Graham called just before a great gush of pleasure washed over my body and I came all over my hand. To his surprise I pulled away from his cock and set it free, but I quickly span around to replace my arsehole with my mouth. I sucked him and opened my mouth just in time to have him unload right there. I gulped it all down because I didn't want to waste a single drop, much to Graham's satisfaction.

This first encounter between us was just what Graham needed to get over his failed marriage and just what I needed to ensure my sexual gratification. I hope you print this letter because it will continue to make our relationship in the bedroom a great one.

"GRAHAM WAS BEHIND ME, STROKING HIS COCK AGAINST THE SOPPING WET ENTRANCE TO MY HOLE..."

Josh and I have been together for just over a year and we're very compatible in the bedroom. Whereas before I'd always been with guys who were a little bit lazy or just happy to go along with whatever, Josh has always known exactly what he wants and isn't shy about telling me so! Dominant is definitely a word I would use to describe him. And, although I wouldn't have predicted it, I really enjoy being submissive and having someone else make all the decisions, telling me exactly what to do to them. And Josh's imagination is such that I never know what he'll bring into play next! I remember the first time he did anything that I would consider on the kinky side; he'd already been rough and we'd role-played, but he hadn't mentioned his fetish for underwear…

It was on a Saturday night and he'd been out all day in town with his mates. We were snuggled up watching a film with a bottle of wine, when he produced a bag from his side of the sofa. "Here," he said, presenting me with it, "This is for you."

I looked inside and found three pairs of undies: some beautiful black silky French knickers, a red lacy crotchless thong and a big pair of white cotton ones. I was surprised, but even more so when I clocked the huge grin on his face. "I want you to wear them tonight, one at a time."

I smiled, "Okay, "I replied, curious as to where this was heading, "So, which first?"

He handed me the white cotton pants and I wriggled out of the jeans and thong I was wearing and sexily stepped into the bigger knickers. Josh motioned for me to come and sit on his lap and I complied willingly, wriggling myself against his crotch and pushing my tongue into his mouth, as his hands grabbed my bum. Suddenly he surprised me by moving me up off his lap before scooping me up – as well as the remaining garments – and carrying me through to the bedroom.

He laid me down on the bed and gazed down at me, telling me to take my top off but leave my panties on, as he unzipped his trousers. I did as I was told, sensing that this was going to be slightly different from our light bondage sessions and I felt my pussy dampen with anticipation. When he reached down and started to rub my cunt through the material, splitting my pussy lips and soaking my knickers in my own pussy juices, it felt amazing. The feeling of cotton being rubbed hard against my throbbing clit turned me on so much that I squirmed against his fingers, knowing that he had the power to bring me to orgasm in this way. Josh knew it too and, he kissed me hard while he rubbed his palm against my cunt, pushing his tongue into my mouth and exploring.

I was getting more and more worked up and was on the verge of

climaxing when Josh stopped. I let out a cry of disappointment, which made him laugh as knelt on the bed beside me and waved his cock into my face. I hungrily licked and sucked on his cock until he was hard, then he held my head and began to fuck my mouth, pushing his helmet against my cheek – seeing my cheeks bulging with his dick is a big thing for him.

"I LICKED AND SUCKED HIS COCK UNTIL HE WAS HARD, THEN HE HELD MY HEAD AND BEGAN TO FUCK MY MOUTH."

I thought he'd want a blow-job for longer, but after a minute or so, he pulled away and moved in between my thighs, his hand still pressed firmly up against my panty-clad snatch.

"You're soaking," he commented, as I felt his fingers push against my hole – through my knickers! Josh groaned as his fingers pushed my panties up inside my cunt until he had two digits buried halfway. "That is fucking hot!" He pulled them out and sniffed them, offering them to me to taste and, as I sucked on his outstretched fingers, he said, "Flip over, let me fuck you."

I rolled over onto my stomach and pushed my bum in the air, expecting him to slide my knickers off for me. Instead, I felt his hand on my hip and his prick press up against my hole. My panties were still wedged inside my pussy, and Josh's dick began to fill me as far as the material would allow. There was something so horny about it, a combination of being teased by his cock and yet fucked by it at the same time was really getting to me – I needed him all the way inside me and I need it now!

> "JOSH PULLED MY LEGS APART AND TURNED HIS ATTENTION BACK TO MY COTTON-CLAD PUSSY…"

I couldn't wait any longer and I went to pull off my knickers while he and they were still in my fanny, but Josh had other ideas. He pushed me back down onto the bed and grabbed the pair of crotchless, which he used to bind my wrists together. "Not what they were intended for, but they'll do," he remarked as he moved my arms above my head. Then, grabbing the silky pair, he ordered me to open my mouth so he could gag me. This turned me on like never before and I parted my lips so he could gently position the garment between them. As rough as Josh likes to be sexually, he also loves me!

Once I had been rendered 'helpless', Josh pushed my legs apart and turned his attention back to my cotton-clad pussy. I thought he'd carry on from before, but instead, he dropped his head to my snatch and began licking and nibbling my clit through the material. It felt so good! I moaned and groaned, getting more and more turned on, aching to feel him fuck me properly. Then, as if he'd read my mind, he knelt

between my thighs and pulled the white panties to one side and replaced them with his meaty prick, pushing his way in roughly, making me quiver and squeal, despite the makeshift gag.

This set Josh off and he began to pump mercilessly into my twat, just as I was hoping he would. Holding my tied wrists

> I MOANED AND GROANED, FEELING MORE AND MORE TURNED-ON, ACHING FOR HIM TO FUCK ME.

above my head as he pummeled into my soaking snatch, Josh could tell when I started to come and slowed his pace so he was banging into me as deep and as hard as he could, just the way I like it, bringing me to an intense orgasm, my muscles spasming around his member.

As my orgasm started to subside, Josh sped up again, and I knew he wouldn't be far behind. Sure enough, less than thirty seconds later he was unloading his creamy spunk deep inside me, his body jerking wildly with each spurt.

When we'd recovered a bit later on, Josh asked me to wear the crotchless thong while he fucked me, which I did. The friction of the lacy material felt incredible as his schlong filled me up completely. The silky ones we saved for the next time, but believe me it was worth it! I would never have guessed that having a man with an underwear kink would be so much fun!

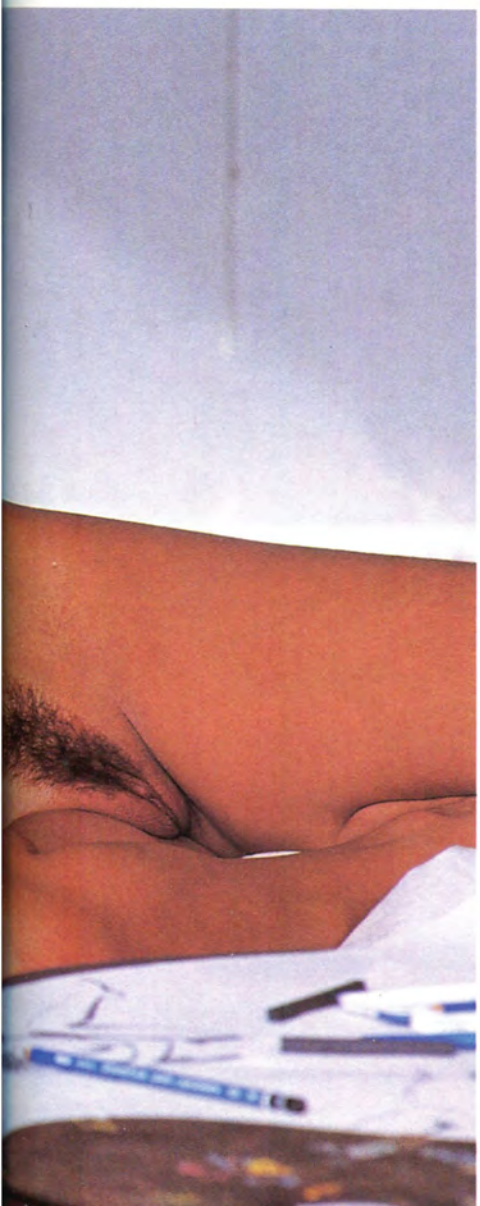
Donna & Martine

PHOTOGRAPHED BY SCOTT EVANS



MAYFAIR Classic

Blurb-writers must have been in short supply back in the year 2000, because it looks like none of the issues of Mayfair bothered with them that year! Thankfully the situation changed a bit on the years to follow, otherwise I'd be stuck at home sitting on my hands. Ahem, anyway, do you think Martine here looks familiar? That's right, it's Kyla-Cole, who went on to become quite a big name in the 21st Century – but remember, you saw her here first!

MAYFAIR

Vol.52 No.12

On Sale Nov 15th

Just when everyone else seems to be running of of steam for 2017, here at *Mayfair* we're picking up the pace! That's right, on top of the three newbies we unleashed on the world this issue we've got more up our sleeves for next time, and if you don't believe us then here's a bit of photographic evidence! Olivia Berzinc's a lads' mag favourite who, having wowed viewers on Babestation, is now taking the *Mayfair* plunge, while Lycia's a stunning Essex babe who's just dying to show you lot what you've been missing! All in all, I'm starting to feel sorry this year's coming to an end!
